## Crime Alert

**RE: 12.CA.22 Theft from Cold Stone Creamery**  
**OCA: #120701**  
**DATE: 2/28/12**

On February 18, 2012 the suspect pictured on the second page entered the Cold Stone Creamery, 1776 Stringtown Rd. Grove City, Ohio 43123, and said he worked for the County Fire Prevention Company. He asked an employee if he could speak with the owner. The employee called the owner and handed the phone to the male. He advised the owner he would need \$98.00 to replace two fire extinguishers. The owner told the employee to pay the male \$98.00 for replacing two fire extinguishers.

The employee gave him \$100.00 and he gave her \$2.00 back. The male then told the employee that he needed another \$98.00 for the second fire extinguisher. The male was given another \$100.00 and he again gave her \$2.00 back. He provided the employee with two fake invoices. The male said he would be back later in the day with the new fire extinguishers and he never returned.

The suspect did not show any identification and was not wearing any type of company uniform.
